MODEL UNITED NATIONS CONFERENCE 2020

When the power of love overcomes the love for power, only then will the world know peace.” –Jimi Hendrix

Carrying the essence of these words, the **International Relations Committee** of Jaipuria Noida organized its **Third Model United Nation (MUN) Conference** on virtual mode on the **29th and 30th of August 2020**. This conference was held to provide the students with a unique platform to expertise in public speaking, negotiation, and research skills. MUN is the replica of a real United Nations scenario. Here, students play the role of delegates from different countries and attempt to solve real-world issues with the policies and perspectives of their assigned country. The event saw **200+** domestic and international delegations from various distinguished schools and higher education institutes pan India.

Inaugural Ceremony-

The Jaipuria fraternity warmly welcomed the Chief Guest for the event, **Mr. K.P. Nayar**, the only US-based foreign correspondent from India, who has been continuously accredited to the United Nations in New York since the year 2000, and Guest of Honor - **Gp. Capt. Suresh Nair** who is a proud retired veteran of the Indian Air Force, and all the delegates to the two-day conference.

Carrying the Jaipurian tradition, before the guests' addressed the audience, **Dr. Poonam Sharma**, Dean International Relations felicitated the Chief Guest and the Guests of Honor with a green certificate.

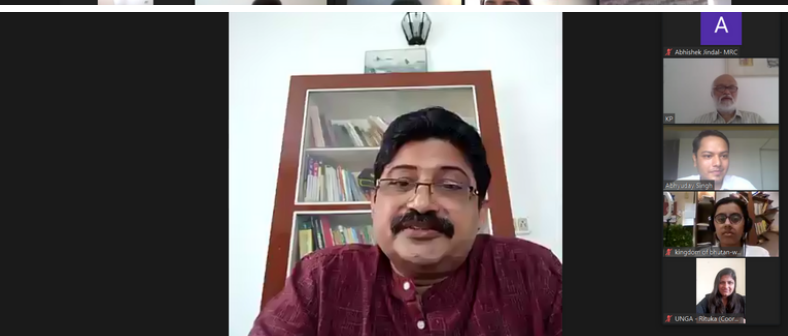

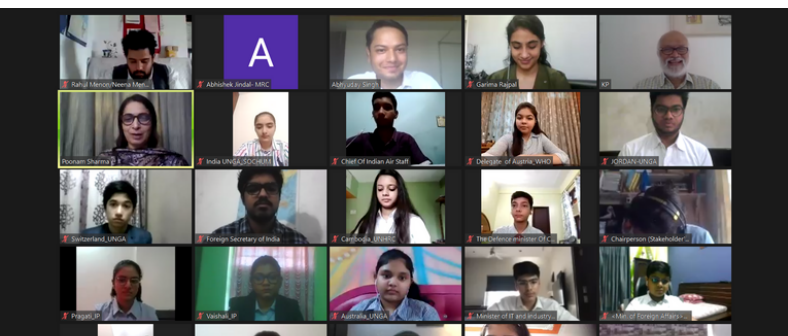

Mr. Nayar appreciating the efforts of the institute in organising a virtual MUN, explained the importance of MUN. He called it a landmark, as MUN has become 75 years old. Mr. Nayar citing his first MUN experience, discussed with the delegates how being part of MUN requires managing a whole lot of information and presenting it to the panel. He encouraged the students to join Indian foreign service or UN and to remember, under no circumstances one should say no in UN.

Following, a video was played on screen showcasing all the efforts and hard-work of the team in organizing MUN and the reminiscence of last year edition.

Mr. Abhyuday (President IRC) introduced **Mr. Suresh Nair**. Mr. Nair shared his experience of being exposed to United Nations (UN) mission, he came across the fact that wherever there are disturbances in the countries there are natural resources to exploit, citing examples of oil in Sudan and how UN is a crucial part to solve those disturbances. He also talked about the participation of Indian army in UN initiatives to maintain peace across globe.

Mr. Rahul Menon appreciated the efforts of Dr. Poonam Sharma and **Ms. Rakhi Dixit**, along with entire team for supporting MUN. He shared how MUN teaches us humanitarian and importance of diplomacy and urged the delegates to, 'Debate not to win, debate to tell what is right.'

Post all the introduction and passing of pleasantries, Jaipuria Model United Nations Conference 2020 was declared open.

EBSB DEBATE COMPETITION

Ek Bharat Shreshtha Bharat at Jaipuria Noida organized a Debate competition on **24th August 2020** for the 1st year students on the following topic:

- 1- Powerhouse or powerless a debate on dams in Arunachal Pradesh
- 2- How Hindi became the language of choices in Arunachal Pradesh (Should Hindi be made the national language of India)

The session was hosted by **Ms. Deepali Kasaudhan** Vice President, Communication Club. The esteem Judges of the session included **Dr. Abhijit Nair**, Chairperson of SEC, **Dr. Rahul Singh**, Professor HR Area, **Ms. Shefali Sharma**, Head of SEC and under the Guidance of **Dr. Shalini Verma**, Chairperson of EBSB Club.

The session began with brief rule and regulation of the debate competition followed by all the participation. **Mr. Kartikey Jagwani**, President EBSB Club was the moderator for the session. All the participants divided into two team by creating Breakout Rooms in Zoom meeting for duration of 2 minute, where team 1 was against the topic and team 2 in favor of the topic, same team was followed for second topic too for the discussion. The participant were not allowed to shift the team if someone is in team 1 which is against the topic can't speak in favor, doing this disqualified the particular participant which was looked by Siddhant Garg, Senior Coordinator EBSB Club.

The discussion on first topic started by the participant by putting their points, The local people fear losing their rights over the land and natural resources, on which they have been traditionally dependent. The fact that only a small number of people will be displaced must be viewed from the perspective of the local population. Land demarcation is between traditional tribes, and resettlement of displaced people may lead to serious conflicts between such local tribal groups. In Arunachal, farming can only be carried out in the lowland areas, which if submerged, as in the case of the Lower Siang project, threaten both the lives and the livelihoods of the people who practice wet rice cultivation there.

The second topic "How Hindi became the language of choices in Arunachal Pradesh" started by student from team 2 where they raised various vital points. The Highlight of topic, Only Hindi is understood among all the indigenous languages. Most of the words in Hindi are taken from different languages of the Indian subcontinent as well as Asia and Europe. As Hindi is the most common language we can say that Hindi can be our official language and can be easy for all. Highlight from team 1 were, All regional languages are equal and must be treated equally. There should be no discrimination based on language. India is a unique country and should be continued that way. No room for politics in India's multi cultural nature. Otherwise this will cause serious problems to national integrity without question.

At the end **Mr. Atul Sharma**, Vice President EBSB Club conclude the session with brief Feedback session by Judges and QnA session followed by a vote of thanks to the guest for taking his time out to address the students and helping in enhancing their communication skills.

The winners of Debate competition-

The first winner was Tanya Nigam followed by first runner up Kanika Thakuria, and second runner up is Deepak Kumar Thakur.

SESSION ON "IMPACT OF COVID-19 ON TALENT NEEDS - CONSULTING INDUSTRY"

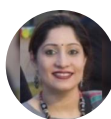

Continuing the Webinar series on Impact of COVID 19, CMC on **28th August 2020** organized yet another session on the Impact of COVID 19 in the Consulting Industry. The session began with **Ms. Jyoti Jangid**, President CMC, extending a warm welcome to the Guest, **Mr. Rohit Koshy**.

Mr. Koshy, an alumnus of IIT Delhi and IIM Calicut, currently works as a management consultant at EY. **Mr. Narayan Singh Samant**, Sr. Manager, CMC, facilitated the guest with the green certificate. The session was coordinated by **Ms. Rashmeet Arora**, Sr. Coordinator, CMC. The session opened by highlighting the impact of COVID in the consulting industry by Mr. Koshy. According to him the consulting business is less likely to grow in the near future but will remain stable due to many small businesses working on cost minimization thus needing assistance from consulting firms. He also talked about the skill set which is important to hone for an individual to be a successful consultant. He described these as a set of 4 broad buckets viz. Problem-solving, Studying & analyzing reports, client engagement, and excellent delivery. He put emphasis on building a network with the alumni and seek their guidance which will help them in the upcoming placement season. Quoting 'crying baby always gets the milk' he stressed the importance of personal branding in the initial years of one's career.

Mr. Koshy gave prominence to the case study competitions and advised the students to participate in such events. Concluding his session he asked students to be optimistic about the future and keep upgrading themselves.
