INAUGURAL OF FELLOWSHIP PROGRAMME IN MANAGEMENT

Diversifying the courses, the institute offers, Jaipuria Noida held a virtual inaugural session for the new “**Fellowship Programme in Management**” course for research scholars, on **4th September 2020**. The session began with **Dr. Deepak Pandit** addressing and welcoming all the doctoral scholars and shared various metaphors from his journey while relating a research scholar to a pebble in water and the various streams that takes the pebble to various places. However, the journey ends when the pebble (scholar) gathers strength and conviction to take a stand in the flowing stream. He also urged them to build their foundations during their course work so that by investing time they can gain knowledge for further study.

Moving forward, **Dr. D.N. Pandey**, Director Jaipuria Noida welcomed the chosen scholars as the first batch of FPM course, along with all the faculty members. Dr. Pandey called it a historical event for the campus as the institute has been working hard to improve itself for all the stakeholders since its inception 16 years ago. Recognizing the need for research domain, Chairman **Mr. Sharad Jaipuria**, and Vice-Chairman **Mr. Shreevats Jaipuria** introduced FPM program. The initiative is aimed to add value to college as well as the scholars. Dr. Pandey commended the existing faculty members for promoting research in the campus and further extended support to the previous Dean Research, **Dr. Shalini Srivastava** and **Dr. Ashwani Kumar**, followed by **Dr. Tavishi Tiwari** and **Dr. Deepak Pandit** for taking initiative for driving FPM prog along with **Dr. Keshav Sharma** as Research Coordinator, Dean Academics, Dean Student Affairs, and faculty members. He also shared various tips and his insights that he gained over the years while discussing the literal meaning of ‘research’ as careful and diligent study of any domain.

The chief guest of the session, **Dr. Sanjeev P. Sahni**, Principal Director, Jindal Institute of Behavioural Sciences (JIBS), O P Jindal University, was welcomed by Dr. Pandey, with the customary green certificate. Dr. Sahni appreciated the efforts of Dr. Pandey and the institute for introducing such program. He emphasized the need of having passion and drive to dig into a particular research study area as it requires hard work and efforts. ‘How to formulate research problem’ is the one of the most important part of research followed by the methodology used. He also discussed the availability of many software and programs to help the methodology and analysis, followed by the differences between qualitative and quantitative analysis involved. He urged on the importance of reading and having analytical mindset to excel in research and advised the scholars to be optimistic and accept change whenever it may come. Before concluding his session, he also offered all the research scholars to avail stay facility at Jindal campus for free and access their library resources.

The insightful session concluded with a brief Q&A session with the audience.

HIGHLIGHTS OF THE WEEK

TEACHERS' DAY

The definition of a teacher is not just the one who teaches us within the four walls of a concrete classroom, but all of them who has taught us something or the other in life. Carrying this essence in mind, on **5th September 2020**, Cultural Committee at Jaipuria Noida organised a virtual celebration session for “**Teachers’ day**” as a tribute to Dr. Sarvepalli Radhakrishnan on his birthday and for all the teachers out there in our lives.

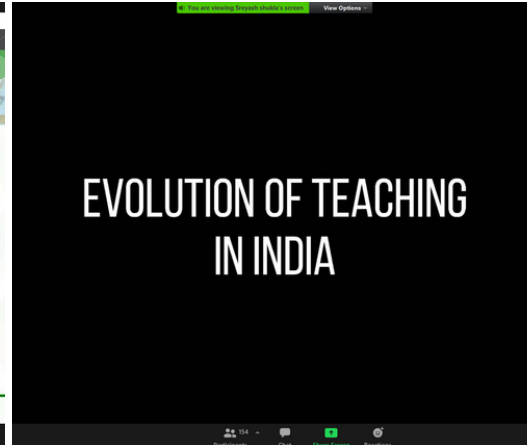

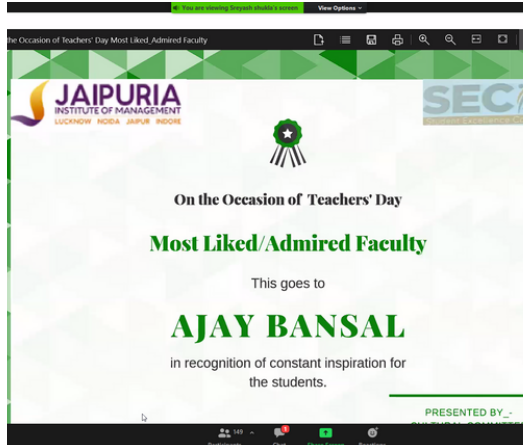

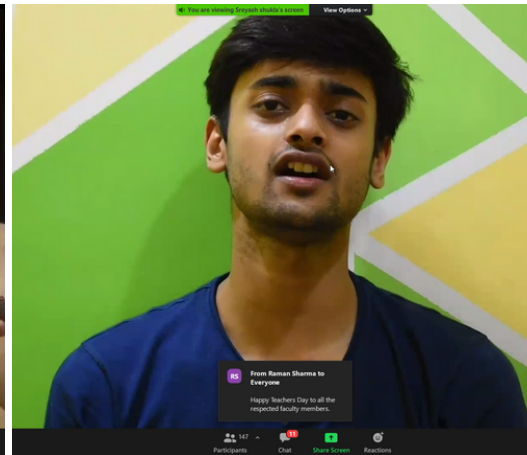

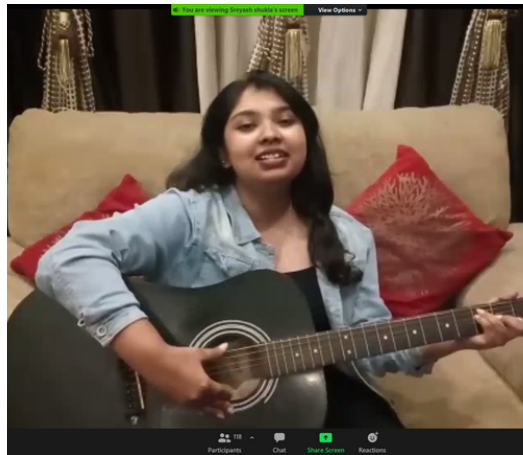

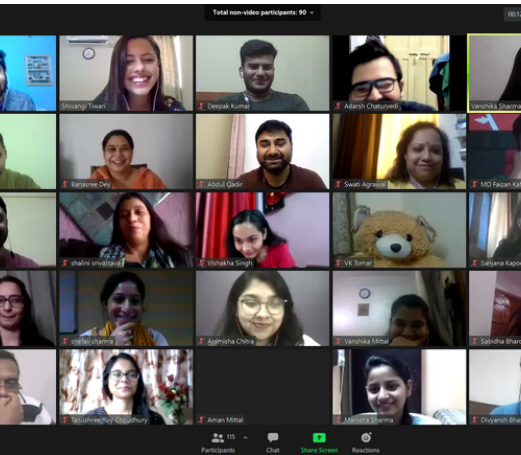

The virtual function commenced around 4.30 pm and all the distinguished faculty members and staff members were invited for the occasion. The show began with some amazing and mesmerizing musical performances from the juniors which received loads of virtual applause from the audience. The celebration continued with the commendable dance performances by the different students of 1st year as the choice of songs were just perfect. The hosts **Ms. Shivangi Tiwari** and **Ms. Vanshika Sharma**, both students of 1st year also invited faculty members to a virtual quiz game called "Guess the faculty".

The event moved forward with some poetry as the words dedicated as a poem rhymed so well for all the respected teachers, it touched the hearts of the audience. The poetry performance was followed by two amazing skit videos, one dedicating a tribute to the teachers in our life and another funny video, more of a vine, portraying the parent-teacher meeting situation. The skit left the faculties, emotional, some smiled, some wiped off their tears and some applauded with happiness glistening in their eyes. Students also shared the award of "Most Admired Faculty" award to **Prof. Ajay Bansal**. And therefore, the celebration ended on a very emotional and positive note. This is how the student community of Jaipuria showered their love for their teachers.

Love and respect are the only things that connects soul. This day enhanced the bonding between the faculties and students to the best and made it a day to remember for the teachers.
