## SESSION ON IT RESOURCES & MOODLE FUNCTIONALITY

Day 8: July 24, 2023

The eighth day of the Orientation program began with an introductory session delivered by **Mr. Satyendra Singh** (IT Head). The goal of this session was to demonstrate our campus's learning management system (LMS) and IT capabilities, as well as how its staff is available to assist students at all stages. There were in-depth discussions on the software and learning tools that the Institute provides to its students. A demo was provided on the use of the institute's LMS and related modules. Overall, the session was quite detailed, and the students asked several technical questions. The Head of IT support and his team promised full cooperation to students throughout their stay at Jaipuria to make their learning journey easier and more fruitful.

## SESSION ON LIBRARY AND ONLINE RESOURCES

Day 8: July 24, 2023

**Mr. Jitender Sharma**, Senior Librarian, conducted the joint session on Library and Online Resources for all the sections in the Auditorium – 1 and 2. Mr. Jitender Sharma started the session by welcoming all the students and briefing them about the library. He went on to describe the different collections in the library, including textbooks, reference books, audio/videos/CDs/DVDs, previous years' project reports, journals, magazines, bound volumes of past issues of the journals, etc. He then described the online resources of the library and how they could be accessed. He explained in detail the online solutions at [jaipuria.mapmyaccess.com](http://jaipuria.mapmyaccess.com), which would act as a single platform to get and view all digital resources of the library. He also gave a live demonstration of the entire platform and taught students how to create their accounts for User-ID and Password-based resources. He covered all leading databases, including Capitaline, Statista, the World Ebooks Library, J-Gate, the EPWRF Time Series Database, Science Direct, Scopus, the DSpace Digital Library developed in-house by the Jaipuria, Noida libraries, and all other databases subscribed to by the library. He further explained how students can make use of millions of open-access resources and how they can do MOOC courses through different platforms available on the library website. He then responded to the student's queries and invited them to visit the library and check out all the available collections themselves.

## MENTOR-MENTEE SESSION

Day 9: 25 July, 2023

The Induction-cum-Orientation Program for the batch of 2023-25 at Jaipuria Institute of Management witnessed an enriching Mentor-Mentee Interaction Session on the 24th and 25th of July 2023. The session was organized by the Mentoring Chair, **Dr. Ajay Bansal**, and saw active participation from faculty mentors across all areas.

The session commenced with a warm introduction, allowing mentors and mentees to get acquainted with each other. During the interaction, the mentees shared their experiences from the ongoing induction-cum-orientation program and posed questions related to business-oriented projects (BOP). The faculty mentors took this opportunity to enlighten their respective mentees about the value of mentoring groups and communicated their expectations effectively.

A notable addition to this year's mentoring process was the introduction of the concept of "mentoring week." Faculty mentors explained this new approach, which was well-received by the students. To foster better communication and engagement, the mentor-mentee pairs decided to create a WhatsApp group. This platform would serve as an avenue for sharing announcements related to mentoring groups, significant developments, and academic and extracurricular activities. The session concluded on a positive note, with informal chit-chat over snacks, strengthening the bond between mentors and mentees.

## SESSION ON POSH BY AMARPREET KAUR- BY CSR COMMITTEE

Day 9: 25th July, 2023

On the 25th of July 2023, the first-year students of Jaipuria Institute of Management attended a highly informative session on Prevention of Sexual Harassment (POSH), conducted by **Ms. Amarpreet Kaur**, Co-founder of HR Helpdesk, Gurgaon. Her session proved to be immensely beneficial for the students, providing them with valuable insights into various aspects of POSH and its implementation in educational institutions and corporate settings. The interactive session encouraged students to openly discuss their concerns and experiences related to sexual harassment. Ms. Amarpreet Kaur shared real-life scenarios and engaged the students in discussions on the appropriate ways to handle such situations. The session concluded with a focus on empowering students to respond effectively if they ever encounter instances of sexual harassment and emphasising the importance of seeking help. The students appreciated the session for its practical relevance in creating a safe and respectful environment in their academic and future corporate lives.

Overall, both the Mentor-Mentee Interaction Session and the POSH Awareness Session were valuable components of the Induction-cum-Orientation programme. The former allowed the students to establish meaningful connections with their mentors, easing their anxieties about the journey ahead. The latter equipped the students with crucial knowledge and skills to address issues of sexual harassment proactively and contributed to fostering a respectful campus culture.

## SESSION ON PSYCHOLOGICAL WELL BEING

Day 10: 26th July 2023

**Ms. Urvashi Jain** and **Dr. Akshita Bakshi** from HopeQure Wellness Solutions made our students aware and informed about the importance of mental health and well-being in our lives, especially during stressful times. It was an enriching experience for students wherein the theoretical understanding given by the Hopecure team was substantiated with some mind-relaxing activities under the observation of professor **Dr. Surender Kumar**.

## BUSINESS ORIENTATION PROJECT CONTEST

Day 11: 27th July , 2023

The Business Orientation Project Contest at Jaipuria Institute of Management, Noida, was an astounding success. A total of 154 enthusiastic students from the 2023–25 Batch of PGDM showcased their exemplary talents in this contest, making it a remarkable and engaging part of their orientation and induction programme.

The primary objective of the contest was to provide a platform for our budding managers to demonstrate their business acumen, critical thinking, and problem-solving skills. Throughout the contest, they presented well-researched projects that reflected their deep understanding of the business landscape and their innovative approach to tackling real-world challenges.

The presentations delivered by the participants were nothing short of inspiring. Each project was an impressive amalgamation of innovative ideas, meticulous data-driven analysis, and actionable recommendations. It was evident that the students had invested substantial effort and dedication into their projects, and their hard work shone through.

The judging panel, comprising esteemed faculty members, was thoroughly impressed by the quality and depth of the projects presented. The level of professionalism and finesse displayed by the students throughout their presentations left a lasting impression, reinforcing our belief in their potential as future leaders and change-makers in the business world.

As the Business Orientation Project Contest concluded on a high note, the campus looks forward to witnessing our students' continued growth and success in their academic pursuits. Together, we celebrate their achievements and embark on a journey of knowledge and transformation. #BOPContest #BusinessOrientation #JaipuriaInstitute #AcademicExcellence

## TALENT HUNT

Day 12: 28th July , 2023

The much-awaited event Talent Hunt (Hunarbaaz) was held for the first year students on the 28th of July 2023 in Jaipuria Institute of Management, Noida. The event, specifically tailored for the first-year students who have recently joined the campus, witnessed a vibrant display of skills across diverse categories such as dancing, singing, drawing, poetry, and even an exhilarating Vaad Vivad (debate) session. Approximately 100 enthusiastic participants turned out, which was impressive. The competition was fierce and the atmosphere was electric with excitement. A distinguished panel of judges thoughtfully evaluated each performance, adding to the competitive spirit and encouraging the participants to put their best foot forward. The success of Talent Hunt (Hunarbaaz) can be attributed to the meticulous planning and dedication of the Student Excellence Council. Their hard work ensured seamless execution and an engaging experience for all attendees. At Jaipuria, Noida, SEC eagerly look forward to hosting more such successful and enthralling gatherings that not only bring out the best in the students but also foster a sense of community and camaraderie among them.

Let's continue the spirit of nurturing and celebrating talent with multiple such events and create even more unforgettable moments together!

## RE- ORIENTATION PROGRAMME FOR SENIOR BATCH 2022-2024

26th July 2023

Facilitators: **Dr. Deepak Singh** and **Ms. Kanchan Rana**.

The Inaugural session of the Re-Orientation programme for the students of Batch 2022-24 commenced on July 26, 2023, with the addresses of the Director, **Dr. Subhajyoti Ray**, and Dean (Academics)- **Dr. Tarun Dhingra**. The CMC President and VP welcomed the Director, Dean-A, CMC Chair, and CMC Team for the Interaction session with the students of Batch 2022-24. The Director congratulated the students for the successful completion of their Summer Internship and shared his insightful thoughts with the students on the future of work, value-based ethical behavior, and the importance of time. management. Dr. Ray also motivated the students to create their own world and work towards the achievement of their cherished dream. He concluded with his message on the importance of a positive attitude and humbleness towards others. It was followed by the address of Dean-A, who emphasized creating goal points for both academics and placements. He stressed the importance of taking the twin responsibilities of academic and placement self and not looking for shortcuts to realize their dreams.
