## Individual Development Program (IDP)

The Jaipuria Institute of Management, Noida, recently concluded an impactful Individual Development Program (IDP) for the first-year batch of 2023-25 on 18th January 2024. The program aimed at providing students with valuable insights into different industry domains and enhancing their overall personality for upcoming internships and final placements in the second year.

The highlight of the IDP was the participation of esteemed industry guests who conducted mock interviews for the first-year students. This unique initiative allowed students to interact with professionals from diverse fields, gaining practical knowledge and exposure to real-world scenarios.
