## Synergex 2024: Inter College Sports Meet

The halls of Jaipuria Institute of Management Noida echoed with the sounds of cheers and applause as the campus played host to the exhilarating **Inter-College Sports Meet, Synergex 2024**. This year's event saw participation from 14 colleges, each bringing their A-game to compete across five different sports: Badminton, Cricket, Table Tennis, Chess, and Volleyball. The air was electric with anticipation as teams geared up to showcase their skills and sportsmanship on the grand stage.

In the realm of Volleyball, MDU Rohtak emerged victorious, showcasing exceptional teamwork and athleticism throughout the tournament. However, it was Sharda University who put up a valiant fight, earning the title of runners-up with their spirited performance.

In the strategic game of Chess, it was Galgotias who reigned supreme, claiming both the winner's and runner-up positions, a testament to their prowess on the board.

Badminton enthusiasts witnessed intense battles on the court, with Symbiosis clinching the title in the Women's Singles category, while Jaipuria Institute of Management Noida secured the runners-up position. In the Men's Singles category, DME emerged victorious, with Sharda University closely following as runners-up. DME continued their winning streak in the Men's Doubles category, with Sharda University once again securing the second spot. However, it was Jaipuria Institute of Management Noida who shone in the Mixed Doubles, claiming the top spot.

Table Tennis saw fierce competition, with Jaipuria Institute of Management Noida dominating the Women's Singles category, while Jaipuria Ghaziabad secured the runners-up position. In the Men's Singles, Galgotias emerged triumphant, with Jaipuria Institute of Management Noida securing the runners-up position once again. Galgotias continued their winning streak in the Men's Doubles category, leaving Jaipuria Institute of Management Noida to settle for the runners-up position once more.

The cricket field was ablaze with excitement as GL Bajaj emerged as the ultimate victors, showcasing exceptional skill and teamwork to clinch the championship title.

Synergex 2024 was not merely a competition; it was a celebration of sportsmanship, perseverance, and the indomitable spirit of youth. The event would not have been possible without the relentless efforts of the organizing committee, volunteers, and sponsors who worked tirelessly to ensure its success. As the curtains close on another thrilling edition of Synergex, participants depart with memories of fierce competition, new friendships forged on the field, and a renewed passion for sports. Synergex 2024 may have come to an end, but its legacy of unity, camaraderie, and sporting excellence will continue to inspire future batches.

## IRC Webinar

### **BUILDING A CAREER IN SUSTAINABILITY IN FRANCE.**

On March 20th, 2024, the International Relations Committee of Jaipuria Institute of Management, Noida, hosted a webinar titled "Building a Career in Sustainability in France." The session aimed to guide students interested in pursuing a sustainability-focused career path in France.

**Dr. Fiammetta Casciloli Karivalis**, Director of the MSc Business Transformation for Sustainability program at Kedge Business School, Paris served as the keynote speaker. Her expertise in the field provided valuable insights for the audience. **Professor Varda Sardana** from Jaipuria Institute of Management, moderated the discussion, ensuring a smooth flow of information and audience interaction.

The webinar centered around the European approach to sustainability, focusing on three key aspects:

1. Green and inclusive growth
2. Degrowth
3. Post Growth

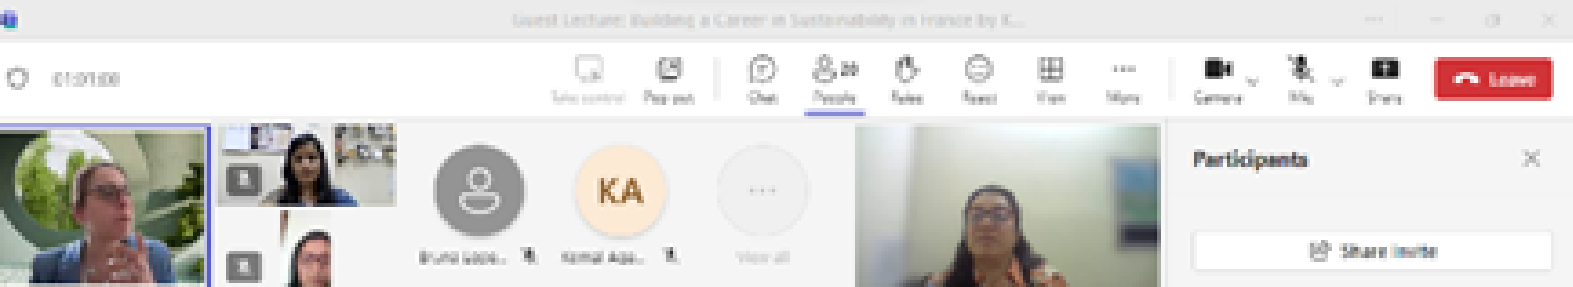

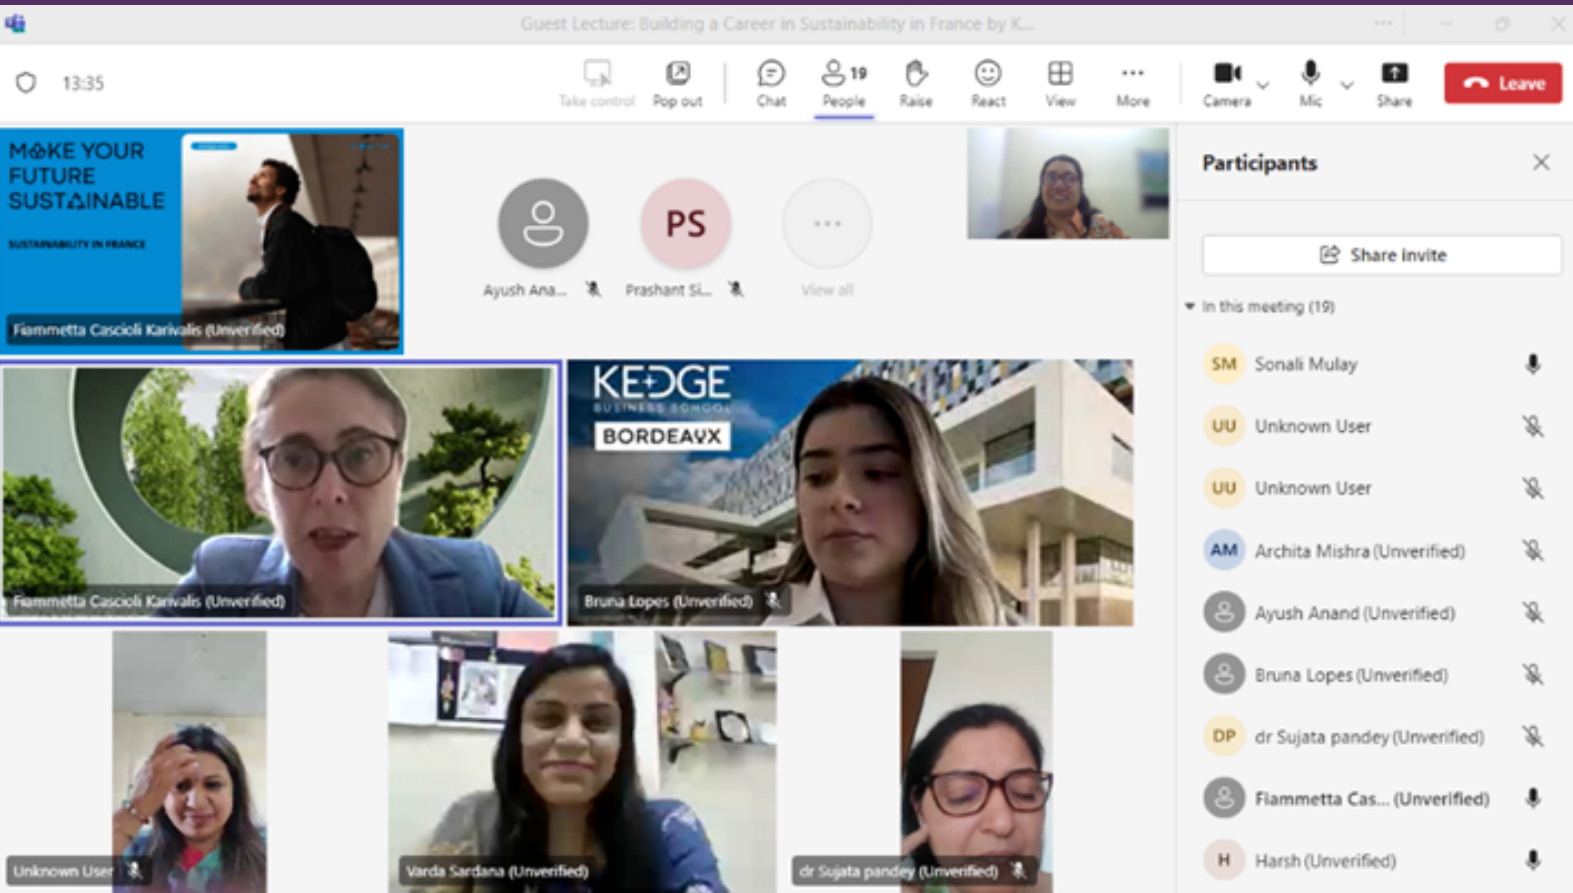

For instance, examples such as Tesla advocating green supremacy and Patagonia adopting a strategy of reduced profit and consumption were discussed. Dr. Fiammetta also highlighted the significance of the Green Deal in Europe, which aims to enhance the well-being of people, achieve climate neutrality by 2050, protect biodiversity, support clean technologies, and ensure a just transition.

The discussion also addressed the growing demand for sustainability professionals in France,

- Career opportunities in various sustainability sectors in France.
- The French educational landscape for sustainability studies.
- Requisite skills for sustainability jobs in the French market.

This webinar offered a valuable opportunity for Jaipuria students to explore career prospects in sustainability within the French market. Dr. Fiammetta insights, coupled with **Ms. Sonali Mulay's** guidance through the questions, provided a comprehensive and informative session for those seeking a sustainable future in France.

## “Role of AI and Emerging Trends in Finance”

On 16th March Hiranya- Finance Club of Jaipuria Institute of Management, Noida organized a finance conclave on “Role of AI and emerging trends in Finance”. It started with the welcome address by **Dr. Subhajyoti Ray**, Director of Jaipuria Institute of Management. **Prof. Ravi Aggarwal** was the Chairperson of this Finance Conclave. The green certificate was presented to the esteemed guests-**Mr. Sidharth Balakrishna**, CEO of BOD Consulting; **Mr. Brajesh Singh**, President of Arthur D. Little; **Mr. R K Joshi**, Senior Vice President at Reliance Jio Platforms Limited; . **Mr. Anuj Jindal**, CEO of AJC EdTech Ltd and **Mr. C N Maheshwari**, CEO of Dalmia Refractories. They talked about how Artificial intelligence (AI) is transforming the financial sector, bringing both exciting opportunities and emerging issues. They discussed that it is rapidly transforming the financial sector, moving beyond just automating tasks. It is offering immense potential to improve efficiency, personalize services, and manage risks in finance. As AI continues to evolve, it's crucial to find the right balance between harnessing its potential and mitigating the risks. The conclave came to an end with the vote of thanks by **Prof. Varda Sardana**, Each of the esteemed panelists brought a unique perspective and invaluable insights to today's discussion on finance and innovation.
