## Academic Excellence Ceremony Honouring the Stars of Academic Brilliance

The **Academic Program Committee (APC)** of Jaipuria Institute of Management, Noida, successfully hosted the Academic Excellence Awards, celebrating outstanding academic achievements across the PGDM batches of 2023-2025 and 2024-2026. This prestigious ceremony recognized and felicitated **Programme Toppers, Term Toppers, and Subject Toppers**—students who have demonstrated unwavering dedication, academic discipline, and exceptional intellectual abilities.

Held in the campus auditorium, the event brought together students, faculty members, and committee coordinators in an atmosphere of pride and admiration. **Dean Academics, Dr. Ritika Gugnani**, emphasized, **“Recognizing merit isn’t just about appreciation—it nurtures a culture of learning, discipline, and aspiration.”** Such events play a crucial role in fostering a competitive yet supportive academic environment where excellence is acknowledged and encouraged.

Beyond recognition, the awards serve as motivation for students to strive for academic brilliance, inspiring others to set higher benchmarks for success. By celebrating merit and dedication, APC reinforces the institute’s commitment to cultivating a learning-driven community. The event also highlighted the significance of perseverance, hard work, and intellectual rigor in shaping future leaders.

The ceremony concluded on a high note with a group photograph, capturing the pride and joy of achievers who transformed their consistent efforts into remarkable success. Their accomplishments not only reflect individual excellence but also uphold the institute’s tradition of academic distinction. Events like these continue to inspire students to push their boundaries and reach new heights in their educational journey.

## Sectoral Workshop on BFSI – Insights from Industry Experts

At Jaipuria Institute of Management, the **Career Management Centre (CMC)** is committed to equipping the first-year MBA students with industry-relevant knowledge to navigate the evolving business landscape. As part of this mission, a Sectoral Workshop on BFSI was conducted on **March 22, 2025**, to provide students with deep insights into the Banking, Financial Services, and Insurance (BFSI) sector.

The session featured esteemed industry leaders:

- **Mr. Gaurav Arora** (Head of Internal Audit, Shivalik Small Finance Bank)
- **Mr. Maurya Hanspal** (Investment Specialist, MOAMC)
- **Mr. Harish Goel** (Director, Investment Research & Financial Services, Evalueserve)

The workshop aimed to provide an in-depth understanding of the BFSI sector’s structure, trends, and work dynamics; highlight career opportunities and challenges across various specializations; guide students on how their academic focus—Marketing, Finance, Strategy, Operations, HR, or Business Analytics—aligns with BFSI roles; and engage students through interactive discussions, real-world case studies, and expert insights.

With practical takeaways and networking opportunities, the session proved to be an enriching experience. The workshop successfully bridged the gap between academic learning and industry expectations, helping students gain clarity on career pathways in the BFSI sector.

## HAC – Holi Celebration

On Friday, 14th March 2025, the **Hostel Affairs Committee (HAC)** brought the festival of colors to life with a vibrant Holi celebration for hostel residents. Excitement filled the air as students gathered, eager to drench each other in colors and embrace the festive spirit. Laughter echoed as faces were covered in bright gulaal, and splashes of water turned the courtyard into a scene of pure joy.

The celebration was not just about colors—it was about togetherness. Students bonded over plates of traditional sweets, sharing smiles and stories. Refreshing thandai and delicious gujiya added a festive touch, making the experience even more special. The joyous atmosphere provided a much-needed break from routine, where friendships were strengthened over playful banter and shared moments of happiness.

The success of the event was made possible by the exceptional leadership of **Aloke Jana**, whose meticulous planning ensured everything ran smoothly. From lively music to well-organized refreshments, every detail was carefully managed. Supporting him was Vice President **Smriti Jain**, whose coordination and keen attention to detail helped make the event truly unforgettable.

Their teamwork ensured that every participant could immerse themselves in the celebration without a worry. Holi at the hostel was more than just a festival—it was a cherished experience, a day where colors, laughter, and unity blended perfectly. The Hostel Affairs Committee's efforts turned it into an unforgettable celebration, reinforcing the bonds of friendship and joy among all who attended.

## From Persistence to Success: My Journey to FactSet

When I started my PGDM journey at Jaipuria Institute of Management, Noida, my goal was clear—to secure a position at a top finance firm. However, moving from Aligarh to Noida was a significant change, and adjusting to a new city took time. I also struggled with presentations, making it difficult to convey my ideas effectively.

Specializing in Finance and Business Analytics, I gained hands-on experience during my internship at CSB Bank, Noida, Sector 18, where I worked as a Banking Operations Intern. This experience exposed me to various financial products, enhancing my practical knowledge.

The turning point came when I secured a placement with FactSet Research Systems Inc., a global provider of integrated financial information and analytical solutions. Preparing for FactSet was intense—I treated it as my dream opportunity. I maintained a dedicated notebook to document financial concepts and terms and regularly connected with professors to refine my knowledge.

Despite my efforts, I faced multiple rejections, which tested my patience and resilience. However, I stayed motivated, sought guidance from the Career Management Cell (CMC) and my mentor, and adjusted my preparation strategy. Mock interviews further helped me improve my responses and confidence.

This journey taught me that a positive mindset and perseverance can transform challenges into achievements. As I step into this new phase of my career, I am ready to apply these lessons and make a meaningful impact in the world of finance.
